

## **COVID - 19 UPDATE**

**March 16, 2020**

Out of an abundance of caution, and with the best interest of our patients and staff in mind, we are asking patients who are experiencing respiratory symptoms, have travelled in the past 2 weeks, or have been exposed to somebody who is/has been ill, to please contact the office to reschedule their appointment(s). You can call us at 612-888-3719 or email Laura, our Patient Care Coordinator at [laura@modernaudiologymn.com](mailto:laura@modernaudiologymn.com).

With the rapidly changing news regarding COVID-19 and precautions being taken by businesses, governments, schools and health care organizations, we want to confirm that our intention at Modern Audiology Minnesota is to remain open and seeing patients at this time but we are asking for your assistance in ensuring we are able to mitigate any risk of illness transmission. Because some of the patients we see are among high risk populations, we desire to continue to provide excellent care and service while looking out for the best interests of all our patients.

We will continue to monitor the situation and will relay any necessary changes regarding closure information with patients whose appointments may be affected.
